

FOR IMMEDIATE RELEASE

**REBOUND THERAPY CENTER PARTNERS WITH
ACCELERATED REHABILITATION CENTERS**

ROCKFORD, IL – Rebound Therapy Center (Rebound) is proud to announce a new partnership with Accelerated Rehabilitation Centers (Accelerated). Rebound has been a leading provider of a full range of orthopedic and pediatric therapy services in the Rock River Region for over 24 years. Established in 1989, Accelerated is also a premier full-service provider of outpatient physical therapy, occupational therapy and industrial rehabilitation services. Headquartered in Chicago, Accelerated offers 170 locations throughout the Midwest and has become the top choice for professional athletes, large employers and busy professionals.

“At Rebound, we have always believed that the healing process is a partnership founded in state-of-the-art clinical skill, shared knowledge and ongoing dedication. It is in this spirit of partnership that we find Accelerated to be a perfect balance. We look forward to working together to continue to bring our staff and our patients growth-oriented results.”
– *Mark Fischer and Theresa Fischer, co-founders of Rebound*

In order to stay at the leading edge of patient care in our community, Rebound and Accelerated are both deeply committed to providing the highest level of healthcare through: the recruitment of therapists at the forefront of their fields, the continued education of our staff and patients, the utilization of cutting edge therapy techniques and best practices, and the investment in state-of-the-art facilities.

As an Accelerated Affiliate, Rebound will offer: more locations, expanded services, pediatrics, increased insurance access, expanded sports medicine, additional community outreach, new workshops and seminars, centralized scheduling, and new industrial rehabilitation services. With expanded services and more locations, we’ll continue to use our experience to reach new heights in orthopedic and pediatric therapy. Above all else, our combined therapy team remains committed to achieving results and providing you with excellence in patient care.
