

ACCELERATED REHABILITATION CENTERS MICHIGAN FOOD DRIVE

Accelerated Rehabilitation Centers would like to commend our Michigan centers and patients for their generous participation and effort in the annual food drive. Our Michigan centers collected an amazing 671 pounds of non-perishable food! All of the contributions were donated to the Michigan Food Bank Council and will benefit local communities in need.

Center food totals:

Commerce: 235 pounds

Clarkston: 192.5 pounds

Howell: 115 pounds

Brighton: 66 pounds

Royal Oak: 62.5 pounds

Accelerated would like to especially thank Shawna Goodhue for her hard work in expanding the food drive to 6 centers this year! Thanks for going above and beyond Shawna!

Thanks to everyone who participated and made this food drive a success!
